Term/Quarter #: Term 3
Subject: Reading
Lesson/Title: Sequencing of Events

Name: _____ Date: _____

I. **Directions:** Read the story. Write **1, 2, 3** to show what happens first, next, and last.

One morning, Leo woke up early because he was excited to go on a school trip. He quickly got out of bed, brushed his teeth, and wore his clean clothes. After that, he ate breakfast with his family and packed his bag with snacks and water. When he was ready, he went to school and met his classmates for the trip.

- 3 He went to school and met his classmates
 2 He ate breakfast and packed his bag
 1 He woke up early and got ready

One afternoon, a little bunny was playing near the garden when it suddenly started to rain. The bunny quickly looked for a place to stay dry. It hopped fast and found a big rock where it could hide from the rain. The bunny stayed under the rock while the rain was falling. When the rain stopped, the bunny came out and happily hopped back to its home.

- 2 The bunny hid under a rock to stay dry
 3 The bunny went back home after the rain
 1 The bunny looked for a place to stay dry
